## **POWERFUL AND FAST IRONING**

The Calor Express Easy steam generator iron offers the perfect mix of fast ironing performance and outstanding convenience. Express Easy works faster than a traditional steam iron with a 120 g/minute continuous steam output, a 340 g/minute steam boost and a 5.9 bar pump to tackle the most stubborn creases. A variety of smart features and design—including a high-capacity removable water tank to avoid constant refills—come together to deliver hassle-free garment care every time.

## PRODUCT BENEFITS

### Fast and Powerful ironing

Discover a powerful garment care experience with a steam generator iron ensuring lightning-quick results with total ease.

### Efficiency steam performance

Use the raw power of 120 g/min continuous steam output to achieve great results in no time. The powerful 340 g/minute steam boost tackles even the most stubborn creases with total ease. And the 5.9 bars pump ensures quick and efficient wrinkle removal.

### High autonomy and easy refills

The removable 1.7 L water tank offers longer ironing sessions and unlimited refills.

### Versatile

The convenient vertical steaming mode is perfect for both last-minute touch-ups or longer ironing sessions of a wide variety of items and fabrics—from curtains to suits.

### Anti-calc protection

Calc Clear Technology ensures long-last steam performance day after day.

### Flawless glide

The Xpress Glide soleplate ensures outstanding glide for easier and more enjoyable ironing sessions.

### Easy and safe transport

The security of the lock system provides carry and storage options with total ease and safety.

**Compact, streamline design**

The compact frame takes the hassle out of steaming, with a footprint smaller than a sheet of A4 paper.
